

## 2014 MILVERTON FAIR

---

It is with great pleasure that I greet you as President of the Milverton Agricultural Society, and I encourage you to make the Milverton Fair part of your summer plans! Last year we celebrated our 150<sup>th</sup> year as a Society, and we are excited to make the next 150 just as successful.

This year's Fair theme is 'Tractors and Tailgates'. Although you may not have a tractor or a 'tailgate' the theme represents a laid back, real country atmosphere that encourages all of us to kick back, hop on a tail gate, and enjoy a beautiful August weekend at your local country Fair. Our Fair boasts a variety of events suitable for all ages. We welcome families, youth, elderly, and visitors.

A huge thank you to all the Directors, Members and Volunteers of the Milverton Agricultural Society. Without you, we could not be the Society we are today. The Milverton Agricultural Society has always had a strong community backing and it is only through the hard work and dedication of our volunteers that we can make it happen!

I would also like to thank my family, especially my husband, for their love and support while I have served on the board of Directors.

Good luck to all the exhibitors and competitors – I look forward to seeing you all at the Milverton Fair on Aug 15-17, 2014.

Sandra Kuepfer, President 2014 & 2015

## Fair Royalty

This past year I was honoured to earn the title of the 2013 Milverton Fair Ambassador and to represent the community at local events, at the District 8 level and even at the provincial opportunities that presented themselves. Around our community, I enjoyed participating in the annual Christmas Parade, the Earth Day Dinner and at the Milverton Rodeo. In May I competed in the District 8 competition in Stratford and in February I attended the OAAS Convention at the Royal York in Toronto. I am really looking forward to the upcoming Ambassador Competition at the Canadian National Exhibition in August. All of these events have been great experiences and through my travels I have had the opportunity to meet fellow Ambassadors from all across the province and to hear first-hand what their Fairs have to offer. Having this experience, I was able to take a step back and truly appreciate my home-town fair and all of the hard work that goes into it. Milverton is the kind of community where volunteers are always ready to lend a helping hand, a place where people support each other and I am glad I know first-hand what it's really like to be part of life here in Milverton!

Representing the Milverton Agricultural Society has been a true honour and I would like to extend a heart-felt thank you to the Ambassador Committee and the MAS board for all their ongoing support and encouragement. Being the ambassador has been the experience of a lifetime, providing endless opportunities for the future, as well as being a rewarding and enjoyable role. I look forward to passing the title on to the 2014 Ambassador and I would like to wish all the contestants the best of luck! In closing, I would like to encourage everyone to attend the 151<sup>st</sup> Milverton Fair "Tractors and Tailgates"!

See you at the Fair!

### **Class 4: Western Ontario Team Cattle Penning Association (WOTCPA) Pointed Penning Event**

**Director:** *Allison Van Herk* (519) 820-6020 [vanherk.ma@gmail.com](mailto:vanherk.ma@gmail.com)

- Saturday, August 16, 2014 - Start 11:00 a.m.

#### **Description:**

Team cattle penning is a western equestrian event thought to date back to 1942 that evolved from the common ranch work of separating cattle into pens for branding, doctoring, or transport. Today, it is a fast paced timed event where the objective is for three team members on horses to collect three head of cattle with the same numbers on them from a herd of thirty cattle which are at one end of an arena. The team then attempts to put these three head of cattle into a small pen at the other end of the arena. All this is to be done in 90 seconds or less - preferably less.

Teamwork is the key, with all three riders working together to cut out the correct cattle and drive them into the pen while keeping the rest of the herd (often called dirty cattle) back.

The WOTCPA season starts in May with the finals in October. Throughout the season there can be as many as 21 dates. They travel as far as London area, Port Perry, Feversham and Walkerton. New members are always welcome.

#### **Rules & Regulations:**

Competitors require a WOTCPA membership to enter.

Yearly Memberships: Adult \$40, Youth \$15, Family \$80 | For more information visit:

## Rules & Regulations:

The annual membership fee is \$ 5.00 and five dollars will be retained from prize money of \$ 20.00 and under. For all prize monies over \$ 20.00, an additional 10% will be retained. Each membership entitles the holder to one free admission to the Fair. A membership is not required for those 18 years of age or younger unless they enter "Open Classes".

SPECIAL NOTE: "In case of bad or unfavourable weather, or other reasons causing the receipts to fall short of paying the expenses, the proportionate amount, exclusive of membership will be deducted from such prizes, to enable the directors to balance the accounts without loss. The directors feel that this course is the most equitable and fair one that can be adopted, as any deduction will fall proportionately on all those participating in the amounts collected and not leave the whole sum to be a debt to bear heavily on the society and thus impair its usefulness". The decision to do this will be made by a majority vote of the Directors.
